NEXT MEETING:

PRESENT:

AGENDA:

- Approve 3/20 minutes
- Update on recent other climate-related meetings: Susan, John, Tinsley
 - Going forward, can we schedule our meetings for the first Wednesday of the month?
 - Waldo County Hazard Mitigation: list of hazards to include in our plan
- “NCRC task board” updates
 - Molly populated the grants tab! [Check it out!](#)
- **Engage Northport Residents**
 - Let's plan the June 12@ 6:00 to 8:00 pm **Community Resilience Engagement Meeting**
 - **Where: book facility**
 - **What: develop agenda**
 - We should try to get Audi from MCOG to attend, to witness the process but also to help facilitate discussion about priorities for spending any funding that we do wind up getting.*
- **Create a task list** for John Clifford, the Northport intern who is starting at the end of May
 - Help Tinsley with website
 - Help with map & tagging photos of vulnerabilities
- **Website:** update on site structure and need for some writing, beginning with our Mission Statement.
- **Homework!** Choose something to work on and report about at the next meeting :)
- **Schedule the next meeting**
 - First Wednesday of June is the 5th. Does that work?
