

Dates Announced: 2023 Donuts & Dialog

May 29, 2023 | [NVC Updates](#)

The popular Saturday morning **Donuts & Dialog** series of public forums returns in Summer 2023.

The **Donuts & Dialog** events are designed to focus on issues of critical importance to the village and provide a open-ended forum for village residents to raise questions and provide feedback to the Board of Overseers and members of committees who are not Overseers.

Dates and topics for the 2023 series are as follows:

July 1st: 2024 Budget, with a focus on revenue, expenses, and impact on tax rate;

July 22nd: Village Utilities, with a focus on operations, system performance, and water/sewer rates;

August 19th: Village Infrastructure, with a focus on key 2024 priorities and planning for years ahead;

All **Donuts and Dialog** events run from 8-10AM and are open to the public. Brief presentations are followed by open dialog, questions, and input from village residents.

Coffee and donuts — or in most cases, donut holes — are provided.

Please mark your calendars!
