

Schedule Set for 2025 Budget Workshops

February 15, 2024 | [NVC Updates](#)

The schedule of workshops for preparing the 2025 budget for the Northport Village Corporation is now available. Budget workshops are conducted by the Board of Overseers as a key part of the process of establishing each year's budget. These are working sessions where the Overseers go through each line item and assess needs and requirements for the coming year.

The public is welcome to attend these workshops to listen and learn about how the Overseers are composing the 2025 budget. **Each session will start at 9AM and run one hour.** Workshops are held in Community Hall (downstairs) and via Zoom.

The **working draft** of the 2025 budget is [available here](#).
