

Waterfront Safety Committee

Proposed Agenda -- Meeting 3

March 17, 2019

3:00 p.m.

Dial-in 605-475-4902; Access code 577505#

1. Welcome committee members and community participants
2. Prepare language to ask Overseers to ratify current roles with addition of our proposed dinghy definitions at their March Meeting.
3. Start discussion of enforcement plans as they relate to waterfront rules. The Overseers cannot adopt an ordinance on our work and recommendations unless there is an enforcement plan. What is the plan for 2019?
4. Discuss permitting process for this season, most likely without a fee.
5. Discuss language for an Ordinance to be introduced at the April Overseers meeting to adopt rules, enforcement and user fee.
6. Continue discussion around addition float. Review Gordon's report on the Town's float.
7. Discuss the concept of a launch service.
8. Other Business
9. Next Meeting
10. Adjourn
