

Minutes
Safety Committee Meeting
March 23, 2020

The Safety Committee met on Monday, March 23 at 6:00 pm by telephone. Members present were Michael Tirrell (chair), Beanie Einstein, Harry Rosenblum, Jim Huning, Lisa Fryer, Jeffrey Wilt, Jessica Cohen, and Gina Cressey. Joining us was Michael Boucher, Police Chief.

Our two agenda items involved exploring the recruiting efforts for police and lifeguards. Michael B. filled us in on his activities. He has placed listings on several online job boards where candidates for police jobs would see them. So far, two people have expressed interest in the position, and one has applied by submitting his required information. The interview process for applicants may begin soon.

Beanie filled us in on her efforts to find one or more lifeguards for next summer. She has placed ads in a number of places that we've used in the past and will contact some other people who may have leads. She'll send a copy of the ad to Dan Webster for posting on www.Baysidemaine.com and calls will be made to midcoast high schools and YMCAs. Harry suggested that WERU might be willing to make a public service announcement about our search.

On the subject of next summer's Safety Day, Jessica Cohen said that she and Lisa Fryer have decided that, given the high level of uncertainty about next summer, planning for this activity will go on hold for now.

Respectfully submitted,

Gina Cressey
